I have to inform you for the information of the Judge that the plan of the above block has been examined, that the boundary orders of the Court as to the direction of the lines have been carried out, and that the excess in area has been distributed pro rata. The accompanying map ( 8380 ) of Lots 335 and 336  
Waiioeka , was found on the late Mr. Grimstone's table after he left for  
Auckland the <sup>first</sup> last time . Apparently it was intended to be submitted to  
me for approval . There were no papers found with it .

Can you please inform me why my approval is necessary ?

  
Chief Judge .
