3. As yet I have not found the application for succession which is supposed to have been lodged by Nani Roka Hudson.

I have received your letter dated 29/11/56 and advise that I have seen the applicant again. He now advises that a Will was made by Hohi Roka No. 2 alias Hohi Tamaiti but apparently this has never been probated and is still with the Solicitors, Potts & Hodgson. He is arranging to have this done. He is not clear whether Hini Smith has been legally adopted or not and it is probable that she has not been legally adopted.

He advises that Mani Roka Hudson has already succeeded as he has searched the Court files and confirms this. There is ~~however~~ no need for a succession application to be lodged but he wishes the Vesting Application to go through on Mani's present shares.
