TO THE SECRETARY OF THE  
HONORABLE MEMBER FOR  
INDUSTRIES AND TRADE  
DEPARTMENT  
MELBOURNE

The Applicant & her husband Kobra Paha are occupying a dwelling recently built by the Department. The son Warheke is paying in £1.10. per fortnight from his wages which along with £4 5.0 per month makes up the required housing loan repayments.

He has been paying in since before the house was built and his mother wishes to make provision for him to take over the responsibility of total repayments and also the guardianship of the house following the death of herself and her husband.

Warheke Paha is not yet of age being nineteen years old.

Yours faithfully  
Catherine Sharnes
