The abovenamed is not known to any members of our staff and we have nothing to indicate where he lives. It seems likely that he may be deceased, but no succession orders have been made that I can find.

I will make some further inquiries and advise you if these produce any results.

With regard to the inquiries made on the abovenamed, there appears to be some confusion in establishing whether he is the same person as that who is known in the Waimana area as Haami Taupo believed to have been aged 72 years when he died some years ago.

Can you check the names again please on other aliases that would assist me with further inquiries:

The issue of Haami Taupo that I have located are, Emeria Taupo now Mrs Emeria Te Papa, Waiotahi Pa and Paekura Taupo now Mrs Joe Te Kiri R.D. Waimana,

I believe there are others whose names I have not been notified.

Waiotahi comes to me, please
