 to me, Head
 Registrar
 District Maori Land Court 17/2/63
 Maori Affairs Department
 Rotorua,

Dear Sir,

Would you please supply me details of ownership of the section of land as described below.

CT 66161 Allot No 277
 Waioataki Parish Valuation No 750 62
 Area 1-3-26.

Information, which I have obtained from the Lands and Deeds Office Lyttelton, states that the Certificate of Title was issued in 1879 to Kopika of Maketu and that no other details have been registered since.

The section is on a piece of land in the Ohewa Harbor, and I understand that

no rates have been collected for same for many years.

If necessary I would pay for a search for these details and would appreciate your being able to supply them at your earliest convenience.

Thanking you.

Yours faithfully
W. Peagram

Dear Sir,

In reply to your letter of 11 February 1963, I do not hold a title to the land in this office, and have no further information to add to that which you obtained from the Lands and Deeds Registry Office, Gisborne.

If you want to bring the ownership up to date, you must employ a solicitor or agent to trace some of the descendants and to lodge the necessary application in the Maori Land Court.

Yours faithfully,

(H.P. Martin)
Deputy Registrar
