The Registrar,  
Native Land Court,  
R O T O R U A.

Sir,  
In re TAHORA 2F 2 (Papuni) BLOCK.

I am instructed by ENOHA TE RO and others who are petitioning Parliament to open the Investigation of Title herein to request you to forward to the Native Land Court Offices, Gisborne, all Minute Books and papers appertaining to the original hearing held at Opotiki of the above and other Tahora Blocks. We require them for the purpose of searching and extracting minutes therefrom. It would be too expensive to my clients to go to Rotorua to have this work done.

Will you please advise me when you are doing so in order to enable me to go to Gisborne immediately they arrive there.

Yours truly

G. A. Mitchell
