**WHAKAPAUPAKIHI 6 & 7 TRUST**

We advise that due to the light Agenda on offer at present, the Trustees' meeting that was planned for next week has been deferred.

You will recall that Rewetu Station wish to present a joint venture farming proposal to this Trust and they have proposed a meeting for Wednesday 26 October 2005.

We will confirm details of this meeting closer to the date and if you have any items to be placed on that Agemda please contact the writer as soon as possible.

Kia ora
