To Mr. Warden
Chief Judge N. C. Court.

R 3/62

Friend, Salutations to you.

This is an application to you from us under
Section 75, N. C. Court Act, 1888, for the
rehearing of the Block belonging to Taveha
Nihoro and us called Camari No. 1, which
was adjudicated upon at Opoitiki on the 26th
of July. The reason of our applying to have
that block reheard is that we, Ngapoteiti and
Ngaitakahu, hapus of Ngaitama, have a just
claim to our pieces within that block, Camari.
We are grieved because our agent Tatanhu
Nihoro did not give in his account,
or (make mention) of the money that was
spent in giving evidence as to his
ancestor, Te Kruvotia. Our ancestors
Patumakariri and Tamaki and others
he said nothing about. These are the
ancestors we mentioned to our agent and
he ignored them. We therefore apply that you
would grant a rehearing of that block to
take place here at Opoitiki, that we may
be able to conduct our case properly before the
Court when we will point out on the map all our
boundaries

This is all
