The Maori Trustee
Gisborne

Tena koe,

Whakapaupakihi Block 5

I have your letter dated 16 September 2005 and insist that, as the Administrator of Whakapaupakihi 5, you investigate without delay, the complaints made by Mangatu. Mangatu has the biggest Shareholding.

You must send me a copy of the letter showing how, "Integrated Foods was advised prior to closing of tenders that their tender would not be accepted."

You must examine all tenders that were received and write an opinion.

As the Administrator you would know that "meetings" are not valid MEETINGS unless properly convened by the Maori Trustee. Please provide me with copies of the Minutes of all properly convened Meetings of Whakapaupakihi 5.

Tenders ought to have been submitted to the Maori Trustee and opened simultaneously in the presence of Responsible Trustees. For the Record, please explain what actually happened.

I trust that you will deal with this matter urgently.

Yours faithfully,

cc. Mangatu, Mr P Brown
