Dear Sir

I have been asked by Mr Fisher
owner of the mesh section if he
can purchase 191. A Block XI P. Waiotahi.
It was I understand reserved as a
site for a village. The opinion
expressed by one or two members of
the local Council is that it is
unsuitable for such a purpose.

If you would kindly make enquiries
and write to Mr Fisher about ^{the} same I shall
be greatly obliged.
