Department of Lands and Survey.

Wellington 23rd November, 1897.

LETTERS TO BE ADDRESSED  
The Surveyor General  
Wellington.

To  
The Chief Surveyor,  
Auckland.

The Education Department has obtained a site for a school on the Ohiwa Estuary out of a block of 93 acres held as tenants in common by Rangi Kotu, Hapeta Kotu & Te Aui Kotu by grant under the Land Act 1877 and Crown Lands Sale Act 1877, and Transfer No. 13011 from Patrick Comisky, dated 7th August 1891. The area to be taken for the school is 3 acres. The Department requires a plan and description for the Transfer. Will you be good enough to have a survey made and plan and description prepared at your earliest convenience?
