SENIOR CLERK

Commissioner of Crown Lands,  
Gisborne.

Dear Sir,

Would you please let me know if any of the 5 acre (approx) sections on the opposite side of Ohuwa harbour are still available and if so on what terms. The section I am interested in are in the area of from the new Ohuwa road opposite Hokeanga island ~~southwards~~ northwards. I understand the Crown has leased some of these on a year to year basis. Hoping to hear from you soon.

Yours faithfully
