I have to report that the Survey of  
Hiwira No 3 subn. has been completed and plans  
ready, and the Suta of Tanapahoe. I expect  
to complete ere now receive this

A rough estimate of the costs will be from £90  
to £100. for both blocks

I would ask for a payment of £50. against  
these surveys, unless a payment has been  
made against Mangarooa No. 1 Completion
