MEMORANDA.

Judge Mair,

Does Mr. Buckworth or Meri Haoriri mean this to be an application under sec 39/1894 or what?

Jackson Palmer  
C.J. 5-9-07.

Chief Judge

Yes, this is intended as an application, under sec 39. The land is at Okia. It was returned to the Maori under 87 Settlement Act, Judge Thomas presiding in and an appeal is still pending, because at the last sitting of the Appellate Court here and at Okia the respondents were not represented. This application is put up by Rimaka Te Pahi, an Arama man whose wife's right is through his wife
