Sir

The enclosed application to amend the list of owners in the Oamaru No 17 Block of land has handed me by the writers with a report that I would forward it to you.

On going over the list on the Court's file there are no less than five duplicate names, the greater portion being minors; no doubt there is a mistake, and as that Judge Peacock does not see his way to set right without the case being before him in a Pannu - he informs that you are preparing a supplementary case, where proper. Now, I request that you will be good enough to let the enclosed application be entered on its file.

The land is under purchase, but I cannot deal with it for the reason that I deem an error is in the list of names.

I have the honor to be

Sir

Your most obedient servant

Rich^d John Gill
