Would you please let us have a Land Transfer Search of the above land. Apparently the owners of this land have not been determined by the Maori Land Court. The land is approximately 3 acres and was formerly a Maori burial ground.

Dear Sir,

At my last visit to Poronua I saw you about a Maori Reservation at the western side of the Opotiki Bar entrance and regret to say that I gave the wrong plan number I gave N°642 whereas it should have been N°462, a Native Reservation as shown on the map.

One thing that catches my eye is that the Opotiki area was at that time under the Whatatane County as shown on that particular survey and I will bring this along next time I am there.

However it should be on the plan of MAP N°1951. Land Surveys, Gisborne.

Thanking you again,

Am C. C. C.

Yours Sincerely
Maame Apanui

1. We refer to our memorandum of 24.11.71 requesting a land transfer search of the above block.
2. The interested party now informs us that the proper description of the land is Lot 462 and not 642 Parish of Waiotahi. Would you please let us have the search at your earliest convenience.

Dear Mr Apanui,

... Following a request made in your letter of the 26th November we enclose for your information a copy of a memorandum from the Gisborne office together with a copy of the plan showing this land. As you will see from the attached memorandum there is no Land Transfer Title for this land and neither is there any record of it in Maori Land Court files.

You should consult a Solicitor if you wish to apply to the Court to investigate the title to this land.

Yours faithfully,
