Dear Sir,

Mr. Albert Mokokoko brought your letter of the 11th. inst. to him for my perusal, and handed me £1 which I enclose herewith.

He states that it is the desire of his wife that the interests of her sisters Hurieta and Te Reita should be included in the portion of the block partitioned to her (Mere Paora). If this is done each of the three families in the block will have their separate portions .

I would be pleased to know whether it is too late to rectify the partition made, or whether it will be necessary for Mrs. Mokokoko to lodge an appeal.

Yours faithfully,

A handwritten signature in cursive script that reads "W. Hislop".
