PUBLIC WORKS DEPARTMENT,

31 JUL 1941

WELLINGTON, C. I., N.Z.,

1093

Whakatane-Gisborne via Waioeka State Highway.

Memorandum for

The Registrar,
Wairariki District Native Land Court,
ROTORUA.

I am directed by the Minister of Public Works to request you in terms of section 104 of the Public Works Act, 1928, to move the Native Land Court to assess the amount of compensation which ought to be paid for the areas marked with crosses in red ink taken for the above purpose, as indicated by the enclosed copy of Proclamation and plan, and to ascertain the names and addresses of the persons to whom such compensation ought to be paid.

Will you kindly give this Department as long notice as possible of the date on which the case is set down for hearing, so that the Department may make arrangements to be represented at such hearing.

OPOTIKI JUN 1941 - 48

H. E. Huxtable
Assistant Under-Secretary.

This application is made in the belief that this land was, at the date of taking, owned by natives within the meaning of the above-mentioned section. If, however, your records show prior to the issue of the Proclamation, the freehold had been alienated to Europeans, or owners had been Europeanized, will you advise me as early as possible.
