

Judge Brown

I have been instructed
by Mr Carr to forward you these
applications, which relate to the
interests of Rawinia Ngwaka.
The minute Books containing your
minutes are, I presume, with you.
You will have your decision in
the matter, because the whole of
the Whakatohea tube were, according
to the whakapapa, entitled to succeed.
The Oamaru 2^B Block has already
been acquired by the Crown and
to ask up what the deceased was entitled
to was ridiculous, so you told
all the natives claiming to arrange

336/12
amongst themselves for two or three
to succeed, but so far they
have not come to any arrangement.
