Memorandum for:-

The Registrar,  
Native Land Court,  
P.O.Box 102,  
ROTORUA.

Oamaru 2 B 5 (NLC.24M.)

Applications for succession to Jack, Harriet and Ellen Petley were lodged in January, 1943, for hearing at Tauranga, but no witnesses have attended the Court to give the necessary evidence. A brother of the deceased persons, who resides at Thames, has now advised me that he is prepared to give the evidence but as he is a very old man it would be appreciated if the matter could be dealt with at Thames. I should be pleased, therefore, if you would ask Judge Harvey if he would be good enough to adjourn the three applications to the Waikato-Maniapoto District to enable this to be done. Will you please advise me when the adjournment has been arranged.
