Wini Okoiki Suora
I know this all when she died. She died
1878, Novill. No children Parents dead.
No brothers or sisters. She had no
right of her own to the land. She was
put in by my grandparent Kotekote
- Kotekote was an ancestor but I do not
know who put her name in the list. I
and others use the name of Wini to the
day

I cannot trace Ramma's descent
all I know is that she got her interest
through my ancestor. Tahakapare was
her ancestor. He had no land and the
decent of Kotekote. Kauhananga
