

Wit to Pawa-sworn.

st. pd. 3364

I object to Kupahi's statement. It was I who brought will of Luaka to Kua before Court. Kupahi's children are in land leased to Kua. I have never received one penny of rental from this lease. This is the land divided amongst the children of Luaka to Kua. I have never received any money for the children from this lease. This I swear. I do not know if the money has been paid to anyone else.

Matter to stand over till 3 o'clock see p. 379.

on their land. I lived on lot 341 Tuarata.  
Hana died on 17th July 1912 and I  
remained here to look after her husband

To Court

Hana had interests at Tauranga.  
No successors have been appointed yet  
but her Tauranga relatives would be  
entitled. None of her relatives here  
would have a right to any of those  
lands

Hana's estate has no questions to ask

Hape Ruarangi sworn  
My evidence will be confined to  
lot 341 Tuarata. Hana considered  
that her right to this section was derived  
from her ancestor Teupuke. She was  
aware that he had great rights to lands at  
Tuarata. At the time the Govt sold this  
section to Hana she was living on  
another piece altogether I will give a Whakapapa  
to Hape

Young when she took me — as soon as I  
 was born. Up to the time I grew up I  
 understood that she was my mother. She  
 brought me up at Waipuka and I  
 lived with her up to the time of her death.  
 She died at Te Kere on my land. She  
 made a will before she died but I lost  
 it. After she was dead I found out that  
 she had nephews & nieces.

On my return from Esborne I  
 told Hemi Teuhuru to make an application  
 to the court but she replied that she did  
 not want to & that I could do.

Hemi Teuhuru has no questions.
