Oamaru #2.

Te Rakari Pera's case.

22/-

Te Rakari Pera sworn.

Objected to as, not belonging to the hapu, R. Ira. who own. descended from the Ancestor but has no occupation - the ancestor she claims from ~~the~~ had no right to the land and her maternal grandfather fought against. of Ira.

Te Rakari Pera.

My claim to Oamaru #2 is from Kote Kote who made a conquest. he conquered Te Whakataue on this block. Kote Kote's younger brothers Kaiwhauanga and Mauitahi run away from the district

Kote Kote lived permanently on this block. and fought on it the occupation has been continuous from his day, from generation to generation down to my self + my child.

When Mauitahi and Kaiwhauanga became aware there was no further fighting they came back.

Kote Kote      Kaiwhauanga      Mauitahi
