My dear Mr Maclean

The Officers letters
by this and last mail will
have covered you full news,
of everything that has been
going on lately, but that is one
matter upon which I did not
like to write - especially and
just for myself - I know about
it when Col St John went
up to Waikato last month
I talk with him nearly 200
matters all of whom were put
in orders to go on pay at 0/0

delivered by the named by will be out from Maunga
the man (to the way) getting of powder - from the
and the chips of the fully taken say that heavy firing
is fast to get paid and had been heard at the
the amount required will be the same, but I think
upwards of £500. I know that it must be a more
that the previously impairment turning I think the
has been that they went out to the mission 6 - then
on conditions. I am afraid with Charles's letters will
that there will be some less merit - weight,
difficulty - in getting them - A portion of the
into the large again tell about the
the question is settled. have been delivered but
I suppose having the police. The weather has been very
again tomorrow, and hope
by the time I get to the
Kaitake that messengers
forming any track
