Dear Mr Delamere

You have no need for concern relating to the Snells Road proposed refuse site area.

A Sub-Committee of Council was appointed to investigate all possible siting of all potential refuse disposal areas, and Snells Road area was listed as one of those having been inspected. The Council adopted a recommendation of the Committee that they proceed with an application for water rights to use a refuse site in Woodlands Road on property owned by Preston Craig.

As a matter of interest, the Medical Officer of Health, had suggested that the Snells Road area might be considered as a potential area for refuse disposal. My Council has not taken this area seriously.

We are well aware of the cemetery on the strip of land on the northern-side of the Otara River. My maps indicate that it is almost in line with Church Street.

Yours faithfully

C.L. Duggan
